HIGH SCHOOL GRADS BURN BOOKS AT FAREWELL SOCIAL HELD AT SCHOOL

"BURNING HORACE," an old college custom of destroying the most despised of all textbooks by the senior class after the final examinations are over, was established at the local high school Wednesday night, when the senior class of the local preparatory school held a pow-wow on the campus of the school and destroyed the books in which they had been grinding during their four years' course in the school.

The custom of burning the books is as old as education in the United States. In many colleges the burning is accompanied by the annual class scrape, when the junior class fights to prevent the seniors from destroying the text which they will be compelled to study the following year. There was no militant attachment to the book burning ceremony at the high school Wednesday evening, as it was burned for the entertainment of the invited guests to the annual senior class reception.

The friends of the senior class were received by the finishing class, who were in a receiving line at the high school reception room. After the informal reception, the annual program was given by the graduating class. Charles Kilburn, president of the class, delivered the address. He spoke of the future of the school, and of the future of the country. He spoke of the future of the world, and of the future of the universe. He spoke of the future of the human race, and of the future of the human soul.

This evening the high school class will give its concert at the high school and the graduation week program will be completed Friday evening with public commencement exercises at the El Paso theater. There will be no formal address to the class. The diplomas will be presented by Dr. H. H. Hays of the school board. A musical program has also been planned for the commencement exercises.

The conservation program given by the different grades of the Lamar school on Thursday morning dealt with the different grades of the Lamar school on Thursday morning.

How to Make Your Hair Beautiful
Tea Minutes' Home Treatment Works Wonders, Stops Falling Hair, Itching Scalp and Dandruff and Makes the Hair Soft, Lustrous and Fluffy.

Better than all the so-called "hair tonics" is the work of a simple old-fashioned home recipe consisting of plain Bay Rum, Lavender (de compose), and a little Menthol Crystals. These three mixed at home in a few minutes, work wonders with any scalp. Try it just one night and see. Get from your druggist 2 oz. Bay Rum, 1 oz. Menthol Crystals, 1 oz. 1-2 dr. Menthol Crystals. Dissolve the Crystals in the Bay Rum and pour in an 8 oz. bottle. Then add the Lavender, shake well and let it stand for an hour before using. Apply it by putting a little of the mixture on a soft cloth. Draw this cloth slowly through the hair, taking just one small strand at a time. This cleanses the hair and scalp of dirt, dandruff and itching. Then use the hair conditioner. It will make the hair soft, lustrous and fluffy. To stop the hair from falling and to make it grow again rub the lotion briskly into the scalp with the finger tips or a medium stiff brush. Apply night and morning. A few days' use and you cannot find a single hair falling out. The hair will be locked on your scalp as light as a veil. Dandruff will disappear and itching cease. In ten days you will find fine downy new hairs sprouting all over your scalp and this new hair will grow with wonderful rapidity.

Any druggist can sell you the above. The prescription is very inexpensive and we know of nothing so effective and certain in its results.—Adv.

NAVAL BASE IN NICARAGUA
San Salvador, May 22—A formal protest has been made by prominent Nicaraguans and Hondurans to the American minister here, Wm. To The Young
Expectant Mother
Women of Experience Advise the Use of Mother's Friend.

There is some trepidation in the minds of most women in regard to motherhood. The longing to possess is often contradicted by the fear of it.

But there need be no such dread in view of the fact that we have an effective remedy in what is known as Mother's Friend.

This is an external application that has a wonderful influence and control over the muscular tissues of the abdomen. By its use the muscles, cords, tendons and ligaments all gently expand without the slightest strain; there is no pain, no nausea, no nervousness; what was dreaded as a severe physical ordeal becomes a calm, serene, joyful anticipation.

In almost every community there are women who have used Mother's Friend, and they are the ones that recovered quickly.

Mother's Friend is prepared after the formula of a noted family doctor by the Bradford Regulator Co., 238 Lamar Bldg., Atlanta, Ga. Write them for their instructive booklet to expectant mothers. You will find Mother's Friend on sale by all drug stores at \$1.00 a bottle.

KILLS FIVE MEN IN IDAHO ASYLUM

Peter Bradovitch, an insane Austrian, beats sleeping roommates to death with a Table.

Blackfoot, Idaho, May 22—Peter Bradovitch, an insane Austrian, confined in the southern Idaho insane asylum here, killed his five roommates by beating them over the head with a table as they lay asleep. The dead are: George Racco, Pocatello; George Pezo, Boise; Hiram Peterson, Idaho Falls; Ellis Buckley, Moreland; George Shepherd, Pocatello.

There was no evidence of a struggle between the maniac and his victims except on the body of Peterson. Two bruises on his arm showed that he had tried to ward off the blows which Bradovitch was raining on his head. Bradovitch was calmly sitting on the bed, looking at the dead bodies of his five men who were completely crushed. Bradovitch was committed to the insane asylum from the state penitentiary, where he was serving a life sentence for murder.
